EMSL ORDER NUMBER *(LAB USE ONLY)*

EMSL Canada, Inc.
2756 Slough Street
Mississauga, ON L4T 1G3

PHONE: (289) 997-4602
EMAIL: TorontoLab@EMSL.com

NPF EMSL Sales Rep (Initials *LAB USE ONLY)*

Your Name:	**Please include payment with your samples.**	
Street Address:	☐ **Certified Check** ☐ **Money Order** ☐ **Credit Card**	
Address 2:	**If using a credit card, please fill out the "Credit Card Authorization" form, which is the last page of this document.**	
City/State:		
Zip:		
Please Provide Results: ☐ **Fax** ☐ **Email**	**Phone #:**	**Fax #:**
Project ID: EMSL -	**State where Samples were Collected:**	
Email Address:	**Amount of Check Enclosed (if applicable): $**	

Please check time frame in which your results are needed. The turnaround time starts when the lab receives the samples and payment, whichever is the latter. Please enclose credit card information, or a certified check or money order. If paying by check or money order, please call ahead to get price including applicable taxes, or the additional payment will be due before samples are processed. If your Asbestos (PLM or NOB) sample has multiple layers, as required by the USEPA, we are required to analyze all layers separately.All pricing is per sample unless otherwise stated.

****Prices quoted below do not include tax, which is payable at the time services are billed.**

ASBESTOS ANALYSIS

Comments:		

EMSL Analytical is strictly an analytical laboratory. We can analyze samples by various methods and provide you with a written report, but cannot provide you with any advice as to how to proceed after obtaining results. Due to magnification limitations inherent in PLM, asbestos fibers in dimensions below the resolution capability of PLM may not be detected. The limit of detection as stated in the method is 1%. For assistance with interpretation of your results, you may call your local health department, visit the USEPA website at www.epa.org, or hire an environmental consultant. If you would like EMSL to test your sample by PLM EPA Method EPA 600/R-93/116, please send us a sample of the material you want tested in a sealed Ziplock bag (approximately 1 square inch is sufficient), and fill out the attached form. All orders must be prepaid. If you do not wish to use a credit card, include a certified check or money order in the amount that corresponds to the turnaround time you requested, multiplied by the number of samples you submit. Please refer to www.epa.gov/asbestos/pubs/ashome.html#6 for more information regarding asbestos in your home. Not all services and/or tests are offered at every EMSL laboratory location. Please contact your local EMSL laboratory to confirm their ability to provide the service/test you require.

CREDIT CARD AUTHORIZATION FORM

EMSL Canada, Inc.
2756 Slough Street
Mississauga, ON L4T 1G3

PHONE: (289) 997-4602
EMAIL: TorontoLab@EMSL.com

By signing this form and providing your credit card number, you acknowledge the card number and information on the card is valid and was not obtained fraudulently. You authorize EMSL to receive payment for analytical services from the credit card company contemporaneous with the invoice(s). Any disputes regarding quoted prices, results, or other testing issues must be submitted in writing to EMSL management for resolution within 30 days of invoice date. Contact customer service at 1-800-220-3675 for the address. Our policy is to offer in-house credit only for analytical results provided by EMSL under the terms negotiated; cash refunds may be issued on a case-by-case basis. Cardholder is responsible for updating credit card information, as necessary.

Important Disclaimer

EMSL Analytical, Inc. is committed to a security standard policy that protects your credit card data from unauthorized access once this data is in our possession. EMSL does not guarantee the security of your credit card data during the period of transmission (i.e. mail or FAX).
